

TRANSITION

YEAR II

Welcome to Level 1 Transition.

Class Purpose: "Learning skills required to successfully enter the working world"

Description: Transition is a vocational learning programme where students learn and further develop the skills required to successfully enter the working world and/or tertiary study.

FIELD TRIPS & EXCURSIONS

1. There is the opportunity to participate in (1-2) Outdoor Education-focused units in 2017:
 1. Kayaking fieldtrip to Quail Island (overnight)
 2. Mountain biking
 3. Climbing

ASSESSMENT POLICY AND PROCEDURES

1. Attendance

You are expected to attend every class with the correct equipment.

2. Authenticity:

Assessment work that is completed must be your own work. You will be expected to sign an authenticity declaration.

3. Late work

DUE DATE means just that! Late work will not be accepted for assessment unless exceptional circumstances exist and your teacher has granted an extension before the due date.

4. Reassessment Opportunities

The reassessment criteria will be discussed with students prior to assessments during the year.

Your learning and assessment schedule will be available from the 30th January, 2017 in hard copy and will also be available on Moodle.

Any queries or concerns please contact Ms Ellen Hampson either in her classroom, SC107, or email EHA@stac.school.nz

We hope you have an enjoyable year studying Transition!
