

TRANSITION

YEAR 13

Welcome to Level 3 Transition

Class Purpose: "Learning skills required to successfully enter the working world"

Description: Transition is a vocational learning programme where students learn and further develop the skills required to successfully enter the working world and/or tertiary study.

FIELD TRIPS & EXCURSIONS

1. There are two outdoor education field trips included in the Year 13 Transition calendar. More information will be provided in your learning and assessment schedule.
2. Field Trip (1) → 28th March – 30th March, 2017 (Week 9) – sea kayaking, Okains Bay, Banks Peninsula
3. Field Trip (2) → August/September - snowcraft (dates tbc)

ASSESSMENT POLICY AND PROCEDURES

1. Attendance

You are expected to attend every class with the correct equipment.

2. Authenticity:

Assessment work that is completed must be your own work. You will be expected to sign an authenticity declaration.

3. Late work

DUE DATE means just that! Late work will not be accepted for assessment unless exceptional circumstances exist and your teacher has granted an extension before the due date.

4. Reassessment Opportunities

The reassessment criteria will be discussed with students prior to assessments during the year.

Your learning and assessment schedule will be available from the 2nd February, 2017 in hard copy and will also be available on Moodle.

Any queries or concerns please contact Ms Ellen Hampson either in her classroom, SC107, or email eha@stac.school.nz

We hope you have an enjoyable year studying Transition!

Notes

1. For a part-IEP [Individual Education Plan] please organize a meeting with Ms Hampson.
2. There are opportunities for work placements and work-site visits on a demand-basis. Please organize a meeting with Ms Hampson to discuss details.
